DATE ISSUED: 16 OCT 2025

**REVISION: 10** 

SUBJECT: Hong Kong Terminal Airspace Standard Operating Procedures Annex I

**EFFECTIVE DATE: 30 OCT 2025**

Doc No.: HKVACC-SOP004-ANNEX-I-R10 Date Issued: 16 OCT 2025
Subject: Hong Kong Terminal Airspace Standard Operating Procedures Annex I

#### 1. PURPOSE

1.1. This Standard Operating Procedure (SOP) Annex I contains the sector diagrams for Hong Kong APP/DEP/TMC positions on VATSIM.

#### 2. ROLES AND RESPONSIBILITIES

2.1. The Office of Primary Responsibility (OPR) for this SOP is the team under the supervision of the Facilities Director. This SOP shall be maintained, revised, updated or cancelled by the Facilities Director. Any suggestions for modification / amendment to this SOP should be sent to the Facilities Director for review.

#### 3. DISTRIBUTION

3.1. This SOP is intended for controllers staffing Hong Kong APP/DEP/TMC positions.

#### 4. BACKGROUND

4.1. Due to the complexity of sectorisation within Approach/Departure/Terminal airspace, a supplementary document is required to support HKVACC-SOP004 so that controllers can have a clear idea on the responsibilities of different sectors within Approach/Departure/Terminal airspace. This would also facilitate the coordination between controllers through standardising certain air traffic management strategies.
